- You must provide or apply for a Social Security Number (SSN) and citizenship/immigration status for **all** family members whom you want cash benefits or SNAP benefits. Immigration status may be subject to verification by United States Citizenship and Immigration Services (USCIS). The Social Security Number is not required to file an application for Refugee Cash Assistance (RCA) benefits. The refugee may provide a copy of the SS-5 until the card is received.
- Benefits will not be provided to individuals who do not provide, or show proof of application for, their Social Security Number and citizenship/immigration status.
- Social Security Numbers are not required for non-applicants or persons ineligible for SNAP or cash benefits, however the proof of income must be provided for **all** members of the SNAP and TANF benefit group.
- If we need information on a person for whom you did not provide information, a DSS worker will contact you to discuss the requirements.
- DSS does not share SSNs or citizenship/immigration status for non-applicants and individuals ineligible for benefits with the US Department of Homeland Security.
- DSS will use Social Security Numbers in the State Income and Eligibility Verification System and other computer matching and program reviews. This information may be verified through other sources when discrepancies are found and may also affect your household's eligibility and benefit level.

YOUR RIGHTS AND RESPONSIBILITIES

Confidentiality

The information that you give to DSS will be kept confidential.

Exceptions:

1. Information may be disclosed to other federal and state agencies for official examination and to law enforcement officials for the purpose of apprehending fleeing felons or probation/parole violators.
2. You agree that confidential information about you and/or your family may be released to other organizations if it is directly related to the operation of TANF, RCA and SNAP.

Social Security Numbers

In order to get benefits from the TANF, SNAP and other programs:

- You must provide or apply for a Social Security Number (SSN) for those persons who want to get TANF and/or SNAP. Although SSNs are not required for non-applicants or persons ineligible for TANF or SNAP, income information must be included for all Household (HH) / Benefit Group (BG) members.
- If DSS needs the SSN on a person for whom you did not provide information, a DSS worker will contact you to discuss the reasons for requesting the number and what will happen if you do not give DSS the number.
- SSNs will be used in computer matching programs and other reviews and you cannot receive SNAP benefits for any person an SSN is not provided for.
- If you do not have an SSN for an applicant, it will not delay your application, provided he/she applies for one immediately. DSS will help you apply for an SSN.
- DSS will not share or give SSNs of non-applicants or individuals ineligible for benefits with the U.S. Department of Homeland Security.

Citizenship and Immigration Status

- You must provide citizenship and immigration status information for those persons who want to get TANF, RCA and/or SNAP.
- DSS will not share the citizenship and immigration status of non-applicants or individuals ineligible for benefits with the U.S. Department of Homeland Security. However, information provided by applicant household members may be submitted to United States Citizenship and Immigration Services (USCIS) for verification of immigration status. The information received from USCIS may affect the household's eligibility and level of benefits.

Assignment of Child Support

- Any child support you receive or may receive for a TANF eligible child must be assigned to DSS.
- DSS may take action to collect child support from both maternal and paternal grandparents if the child's parent(s) are under age 18 and receive TANF.

Paternity Establishment

- In order to get benefits from the TANF Program, you must cooperate with the Child Support Services Division (CSSD) in establishing paternity and obtaining child support for your children.
- If you have a good reason to believe cooperation may cause harm to you or your child(ren) ask your case manager about establishing "good cause" for failure to cooperate.

Varied Benefits

- If you receive child support through CSSD, your SNAP benefits may change from month to month because of any changes in the child support you receive.

Work/Training Program Requirements

- To receive TANF or RCA benefits, you must participate in a work or training program, unless you are exempt from the work program requirement.
- To receive SNAP benefits, some household members must work, participate in an employment and training program and/or register for work. By signing your application, you will be considered to have registered all household members required to be registered.

Time Limits

- TANF benefits may be time limited.
- RCA is limited to 8 months from the date of arrival in the U.S.
- SNAP benefits may be limited to 3 months in a 36 month time period.
- The receipt of SNAP benefits has no effect on any other program's time limits.

Verification

- A DSS worker may need to contact other people or organizations (neighbors, banks, employers, etc.) in order to verify your income, work program/employment status, bank accounts, citizenship/immigration status, medical/shelter expenses, insurance/retirement benefits, medical history and any other fact that relates to your eligibility for TANF, RCA or SNAP benefits.
- For SNAP, failure to report or verify any deductible expenses will be seen as a statement that your household does not want to receive a deduction for the unreported expense.

Benefit Repayment

- You may be required to repay benefits you received from TANF (including child care and transportation), RCA and SNAP benefits that you should not have received even if you received them through no fault of your own.
- DSS may apply any benefits removed from your inactive EBT account to repay an outstanding SNAP claim(s).
- DSS seeks repayment of claims from any federal and/or state tax refunds that may be due you. The information that you give DSS, including SSNs, may be referred to federal/state agencies for claims collection action.

Fair Hearings

- If you do not agree with a decision made in your case, you may request a Fair Hearing, orally or in writing for SNAP, TANF and RCA, by contacting your county DSS office or SCDSS, Division of Individual and Provider Rights, P.O. Box 1520, Columbia, SC 29202-1520, 1-800-311-7220 for TANF and SNAP.
- **You may speak for yourself at the hearing. You may also bring a friend, relative, or lawyer to speak for you.**
- To request continuation of your TANF, RCA or SNAP benefits, while you wait for the hearing, the request must be made within 10 days from the date of the notice you receive reducing or stopping your benefits.
- If the hearing decision is not in your favor, the benefits will have to be repaid.
- The maximum time to request a hearing after you get a notice reducing or stopping your benefits is: 60 days for TANF and RCA and 90 days for SNAP benefits.

Application Filing Instructions

Your application is considered valid as long as it contains the name, address, and signature of a responsible household member or the household's authorized representative. Benefits are provided within 30 days from the date the application is received by the agency. If you are applying for SNAP benefits, your eligibility will be determined separately from any other programs and will not be denied solely because benefits from other programs have been denied. The Agency will process all SNAP applications in accordance with SNAP timeliness, notice, and fair hearing requirements, even if you are applying for other programs.

If you are a resident of an institution and jointly apply for SSI and food assistance prior to leaving the institution, the filing date of the application is your date of release from the institution. Processing time will begin from the date the application is received in the Department of Social Services.

- Please fill in all the blanks you can. If you need help or don't understand a question, a DSS worker can help you.
 - Make sure you **PRINT YOUR NAME, PRINT TODAY'S DATE, and SIGN THE APPLICATION.**
- Please tear off pages 1-6 and keep for yourself. Return pages 7-15 of this application to DSS. Once your application has been received by the agency, you will be given a phone number to call for an interview no later than 10 days from the date your application is received. You may request a face-to-face interview with a worker in the county where you live if you want. You may bring someone with you to the interview who can help you. If an interpreter is needed, DSS will provide one at no cost to you.
- Mail, fax, e-mail or take this application to the Department of Social Services (DSS).
- To get the address of your county DSS office, call toll free: 1-800-616-1309 or view online at www.dss.sc.gov.
