Plan/Accounting of how these funds will be used

Description	Budget
Please see attached excel spread sheet	
Grand Total	\$54,000.00

Please explain how these funds will be used to provide services

In the time Catholic Charities has spent conducting the Getting Ahead class, it has become clear that the workshop is a valuable resource for participants and their families. We stay in contact with participants, often for 18-24 months providing them with the support they need to make their dreams a reality. Getting Ahead transforms the lives of the Investigators along with their families and helps them start their own businesses. One participant started her own trucking company. She not only achieved her goal, but her company was so successful that she was able to help other families in poverty as well. After years of success of Getting Ahead in Georgetown, Catholic Charities is expanding the program to other areas. We are currently hosting classes in both English and Spanish to serve the Hispanic population in Jasper County. Funds will be used to host these classes in the fall, the other in the spring. We aim to have 6-10 participants in each class. Funds will cover class materials, a stipend to help offset the cost of transportation, childcare, or lost wages while students attend the courses. Funds will also be used for the Getting Ahead program.

Organization Certifications

1) Organization hereby gives assurance that no person shall, upon the grounds of race, creed, color, or national

- otherwise subjected to discrimination under any program or activity for which this organization is responsible.

How will the money be spent:
Explanation

How will the money be spent:
The program is a great start and puts people on the right path, but it is important to stay with support and connecting them with resources while they do the hard work of building their own lives and communities. One participant dreamed of getting her CDL license and was able to hire her mother as a second driver, pulling her mother out of the program to our office in Hardeeville. The goal in Hardeeville is to be able to offer the two classes of Getting Ahead in both Georgetown and Hardeeville. One class provides supplies, books, a graduation celebration for participants and their families, and the other class will also be used to support part of the salaries for the people who run the program.
