Important Information About Your Child Support Payments

The State of South Carolina is changing the way you receive your child support payments.

The South Carolina Department of Social Services (DSS) and Clerks of Court are moving to a new federally mandated child support computer system over a ten-month period beginning October 2018.

Direct Deposit/Debit Card Enrollment for Parents Receiving Child Support

You have several options to receive your payments: direct deposit to your bank account; direct deposit to your own prepaid account; or this benefits card. You do not have to accept this benefits card. Ask about other ways to receive your benefits.
