

HENRY MCMASTER, GOVERNOR MICHAEL LEACH, STATE DIRECTOR

March 15, 2021

Dear Foster Caregiver,

The first installment of Pandemic EBT (P-EBT) benefits for the 2020-21 school year will be mailed out on or before April 16, 2021. P-EBT is an optional federal program designed to provide food benefits to children who have temporarily lost access to free and reduced-price meals at school due to school closures triggered by COVID-19. For the 2020-21 school year, eligible children will receive P-EBT benefits **based on the number of days they attend school virtually each month.**

Foster parents <u>do not</u> need to visit the P-EBT Address Verification Portal to verify their mailing address. P-EBT cards for each eligible foster child will be mailed to the placement address on file with DSS.

P-EBT benefits for the 2020-21 school year will be issued in four different installments between April 2021 and July 2021. All benefits will be issued on the same P-EBT card. Once the P-EBT card is issued, foster parents should hold on to the card and ensure that the card follows the child. If the foster child moves to a new placement or returns home, the card must go with the child.

Attached is a Frequently Asked Questions document containing information about P-EBT benefits. This document, along with other information about the program, is available on the DSS website, at <u>www.dss.sc.gov</u>. You can also reach out to us on the Foster Parent Helpline at 803-898-4174 or by emailing us at <u>FPHelp@dss.sc.gov</u> with additional questions. Thank you for your continued commitment to the children, youth and families of South Carolina.

Sincerely,

Darvn T. Barton
