What is SNAP?

SNAP is a supplement program that helps you buy food for your household. SNAP is designed to promote the general welfare and to safeguard the health and well-being of the Nation's population by raising the levels of nutrition among low-income households.

How do I apply for SNAP?

1. Obtain a SNAP application from any DSS office. You may also apply online at www.scmapp.sc.gov.
2. If you need help, a DSS worker can assist you. If you do not speak English, you have a right to an interpreter.
3. Make sure you print your name, address and sign the application.
4. Mail, e-mail, fax or take the application to any DSS office.

What is the benefit of receiving SNAP?

It permits low income households to obtain a more nutritious diet, through normal channels of trade, by increasing food purchasing power for all eligible households who apply for participation.

How do I use SNAP benefits?

Your household will receive an Electronic Benefit Transfer (EBT) card to use at the grocery store to purchase approved food items only.

Can I receive SNAP if I am working?

Yes, if you and/or any household member are working and the household income from work and other sources is below the income limit for the household size.

Can I receive SNAP if I am not working?

Yes, if you and/or any household member are not working and the household income from other sources (if any) is below the income for the household size.

However, for an Abled-Bodied Adult Without Dependents (ABAWD), SNAP eligibility is time limited to any three months in a 36 month period, in which the ABAWD is subject to, but not complying with, the ABAWD work requirement, or is otherwise exempt.

What if I am elderly or disabled and cannot work?

Any household member who is age 60 or older or have a documented disability will meet an exemption from work requirements and may qualify for a medical deduction.
