

Reasons People Don't Get Hired

- Application or resume is sloppy
- Lack of maturity
- Lack of interest and enthusiasm
- Nervousness or lack of confidence
- Responding vaguely to questions
- No genuine interest in the job or the company
- Lack of planning for career; no purpose and no goals
- Over-emphasis on money
- Unwillingness to start at the bottom
- Negative attitude toward past employers
- Failure to express appreciation for the interviewer's time
