The agency can issue subpoenas for you to require the attendance of a particular witness(es). However, by requesting a subpoena, you automatically accept responsibility for all charges associated with the subpoena, i.e., most professionals charge by the hour and for mileage. DSS does not accept any responsibility for witness fees in your case.

I accept the costs and I request that a subpoena be issued for the following people. I understand that I must give the hearing office a complete name and address for each witness.
