THE CHILD & ADULT CARE FOOD PROGRAM

IN DAY CARE HOMES

The South Carolina Department of Social Services provides funding through the USDA Child & Adult Care Food Program to help day care homes serve healthy meals to children in their care.

GOALS

- Improve the health and nutrition of young children.
- Encourage good eating habits that will last a lifetime.
- Promote nutrition education to children and their families.

QUALIFYING IS SIMPLE...

You must be a licensed day care home. (You may be licensed by DSS or a branch of the military.)

OR

You may participate if you run a day care home that is registered by DSS. (Registered day care homes must meet Alternate Approval standards).

Meals served to children must meet nutrition guidelines.

HOW DO I PARTICIPATE

All day care homes participate in the CACFP through a sponsoring organization.

A Sponsor is a public or private non-profit agency that enters into a contract with DSS to sponsor day care homes to participate in the CACFP. A sponsor recruits day care homes, conducts training and technical assistance, monitors the program, reviews monthly records and issues the reimbursement check to the day care home provider.

WHO IS ELIGIBLE FOR MEALS

Children age 12 and younger.

Migrant children age 15 and younger.

Persons with physical or mental disabilities, regardless of age, if they are enrolled in a child care facility.

HEALTHY HELPINGS

You may be reimbursed for up to three (3) meals served to every child present at your day care home each day. All CACFP meals must meet USDA nutrition requirements.
